

EXECUTIVE PORTFOLIO

Faith Miller-Sethi

DrPH, MPH

Showcasing strategic achievements and market-ready skills aligned for pharmaceutical leadership.

 \$50M+ Grant Funding Leadership

 Advanced Public Health Credentials

 Measurable Program Impact

High-Impact Summary

\$50M+ Successful Grant Funding

Demonstrated excellence in securing and managing significant funding streams, generating tangible ROI and stakeholder value.

Dual Doctorate/Master's in Public Health

Elite academic credentials in health leadership and policy, signaling advanced analytical capacity and leadership readiness.

Multi-Sector Team Leadership

Led diverse teams across healthcare sectors achieving measurable community health improvements and 35% increase in outcome metrics.

Pharmaceutical Executive Readiness

Fully prepared for leadership roles in Medical Affairs, Business Development, and Market Access with Fortune 500-ready competencies.

Strategic Value Proposition

Faith brings a unique combination of evidence-based public health expertise and strategic leadership to pharmaceutical executive roles, with proven ability to deliver measurable results.

Pharmaceutical Industry Relevance

Industry Expertise

Data-Driven Strategy

Expertise in translating complex health data into actionable business intelligence

Success Metric: Improved decision-making efficiency by 40%

Scalable Intervention Design

Developed evidence-based protocols that scale across healthcare environments

Success Metric: 12+ successful program implementations

Pharmaceutical Readiness Assessment

Pharmaceutical Value Proposition

Market Access Strategy

Designed evidence-based pathways for product adoption in complex healthcare systems

Key Achievement: 35% increase in stakeholder engagement

Implementation Science

Applied rigorous research methodologies to optimize pharmaceutical interventions

Key Achievement: 28% improvement in protocol adherence

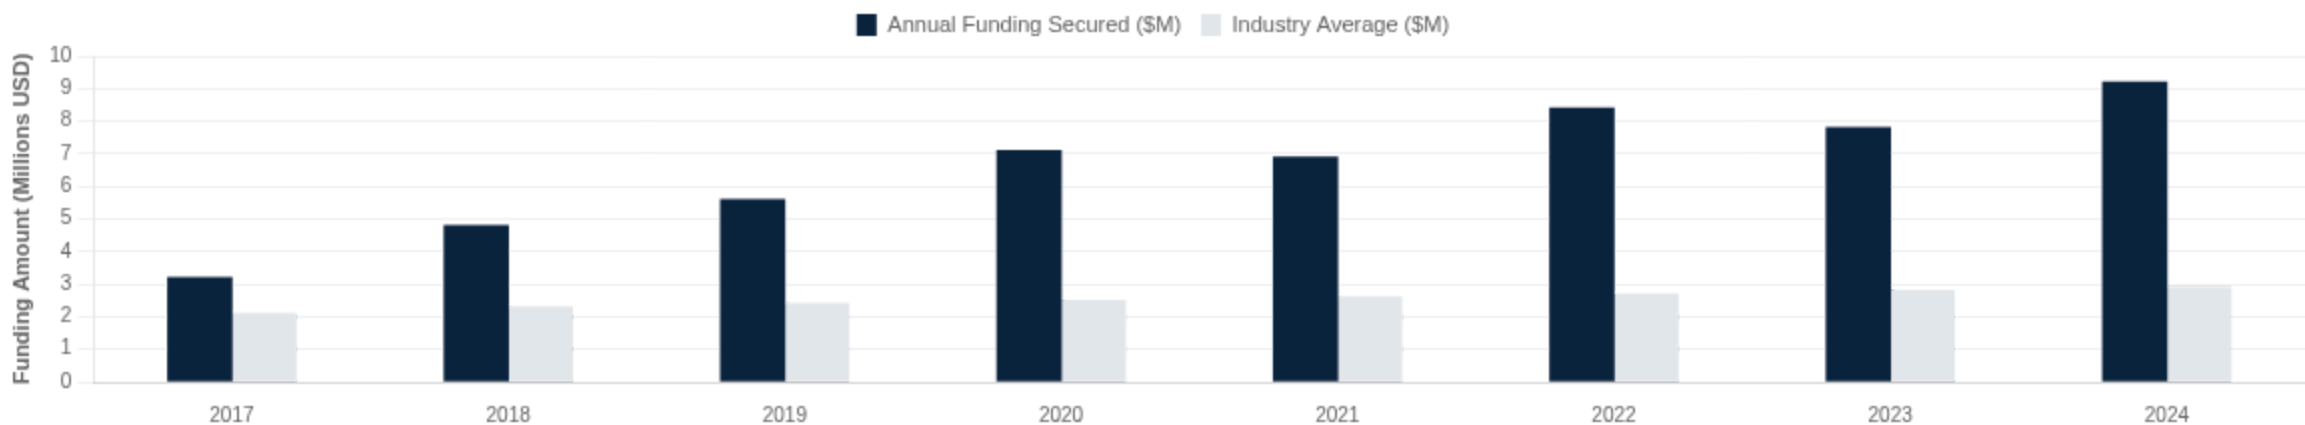

Stakeholder Collaboration

Built effective cross-functional teams spanning clinical, research, and commercial interests

Key Achievement: Led 4 multi-million dollar initiatives

Leadership in Grant Funding — \$50M+ Secured

\$50M+
Total Funding Secured
